Office of Records & Registration
Challenge Examination Application & Grade Report

Instructions: A full-time matriculating undergraduate student who has completed at least 12 semester hours of regular course work at Coppin with a cumulative grade point average of at least 2.00 is eligible to take Coppin-administered challenge examinations. No more than 30 credit hours can be granted by examination, and no student may challenge a course in which he/she has previously registered. In the case of the transfer students, credit by examination will not be accepted for any part of the final 30 credit hours. The student must pay the required fee for each examination. **The Challenge Examination application is due in the Office of Records & Registration by the end of the first week of December for the winter term, the end of the first week of January for the spring semester, the end of the first week of May for the summer term and the end of the first week of August for the fall semester.** The completed and approved grade report for the challenge examination must be submitted to the Office of Records and Registration by the deadline for add/swap period of each term and semester.
